LETTINGS GUIDANCE – DEVON COUNTY COUNCIL

Rationale:

- The school premises represent an immense capital investment and should be fully utilised;
- They are a valuable community resource and as such every reasonable effort should be made to enable them to be used as much as possible;
- Educational usage of educational premises constitutes a natural priority;
- The school's delegated budget (which is provided for the education of its pupils) should not be used to subsidise lettings by community or commercial organisations;
- Profit margins will be welcome when derived from private or commercial usage but is not the objective when facilitating educational activity. All charges must at least cover costs.

Definition of a letting:

A letting may be defined as '*any use of the school premises (buildings and grounds) by either a community group (such as a local choir or cubs/brownies), or a commercial organisation (such as a local branch of Weight Watchers)*'. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of premises for activities such as staff meetings, parents' meetings, governing board meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore, a legitimate charge against the school's delegated budget.

Priority Usage:

The County Council has defined three bands of users:

Statutory – usage laid down by statute will not be frequent but must be accommodated, at a rate to recover costs. The charging of a rent is prohibited by law. This could include use of school premises for election purposes as a polling station.

- In an election, the Returning Officer for the District Council has the power in law to requisition any public buildings/premises they want for use as a polling station, including schools and while he/she will look for alternative facilities. However these are not always available (e.g. village halls or community rooms). Schools and public buildings have been chosen in the past precisely because they are an accessible, central, focal part of the community. Schools will be made aware of the need to use their facilities in good time. Where only part of a School is used for an election it is up to the Headteacher to decide whether or not to close the whole School for operational or security reasons.
- In this event it is important the safety of pupils is not compromised and therefore the Head Teacher must carry out a risk assessment aimed at identifying control measures suitable to protect pupils. If you require any further guidance or assistance in drawing up a suitable risk assessment, please contact the Devon Health and Safety Services – Tel: 01392 382027.
- Candidates at parliamentary or local government elections are also entitled to the use of premises in a schools or other community meeting rooms, at reasonable times. This applies to any community, foundation or voluntary school in the electoral ward for which the candidate is standing (or an adjacent area, if no venues are available). At a Local Election, meetings must be for the purpose of holding public meetings to promote or procure the giving of votes in the forthcoming election only. However, candidates may only exercise these entitlements from the day the notice of election is published to the day proceeding the day of the actual election. This

does not mean that candidates are entitled to the use of a room in school premises during the hours it is being used for educational purposes or the use of a meeting room that has already been booked under a prior arrangement. While candidates are entitled to use the facility (room) free of charge, they must meet the costs of preparing, heating, lighting and cleaning and restoring it to its usual condition after the meeting. You should be able to add to that the cost of any additional security involved as any meeting must be open to the public. Candidates must pay for any damage to the room or premises.

Designated – these users should have priority of access except where a clash with statutory usage cannot be avoided. They should not be charged a higher fee than that which allows governors to recover the costs of providing facilities. Schools designate these users themselves, please refer to model policy for more information.

Private – charges will be set and priority accorded within the governors' local lettings policy.

Local Lettings Policy:

The governing board is responsible for adopting a lettings policy for the use of the school premises. A draft outline policy is provided in Appendix One for schools to personalise. The policy should be reviewed annually.

Organisations seeking to hire the school premises should approach Belinda Nicholas, the Senior Administrator, who will identify their requirements and clarify the facilities available. A lettings form should be completed at this stage.

EXETER ROAD COMMUNITY PRIMARY SCHOOL LETTINGS POLICY

Adoption

The school governors at their meeting on **9th March 2020** adopted this lettings policy and the scale of charges set out below: -

Policy Objectives

The governors adopt and endorse the County's Lettings Policy and recognise the principles therein, namely:-

- (i) that school premises represent a significant capital investment and should be fully utilised;
- (ii) are a valuable community resource;
- (iii) educational usage of education premises constitutes a natural priority;
- (iv) that a profit margin would be welcome when derived from private or commercial usage but is not the objective when facilitating education activity by designated users.

Priority Usage

The governors have adopted the following categories of priority user:-

- (i) statutory users;
- (ii) designated users;
- (iii) private users.

The governors have applied in each case the definitions identified in the Devon County Council lettings guidance.

Statutory – usage laid down by statute will not be frequent but must be accommodated, at a rate to recover costs. The charging of a rent is prohibited by law. This could include use of school premises for election purposes as a polling station.

Applications for Designated Status

The governing board has reserved the right to determine those organisations additional to those who have already been so determined by the county council, which may have designated status. The governors will review this list annually for the purpose of deciding whether designated status is still appropriate. At other times of the year applications for designated status will be dealt with by the governing board on 'an as and when' basis.

The governors have decided that for the purpose of charging there will be **two** categories of designated user.

These are:

1. Organisations sharing the aims of the school e.g. Governors, PTFA, School Clubs
2. Non-profit making organisations serving the community e.g. local churches, playgroups etc.

The governors have decided that for the purpose of charging there will be three categories of private user.

These are:

1. Private users for a social event e.g. parties, charities
2. Private users to make a profit e.g. evening classes (non-LEA), play schemes.
3. Commercial users to make a profit e.g. sales

Conditions of Hire

The governors have adopted the standard Devon County Council account of hire. These terms form Appendix Two to this Policy Statement.

Administration of Lettings

General

The governors recognise that it would be impossible for them to personally vet every applicant or organisation wishing to make use of the school premises. Accordingly they have delegated the authority to accept applications for hire to the Headteacher or his nominee.

Variations

No member of staff is allowed to vary that in terms and conditions from which the school premises are hired to either individuals or organisations nor to deviate from the governor's published charging policy.

Lettings Documentation

All formal hiring of the schools premises, including those for which no charge is made, shall be properly documented. All hirers **must** complete a letting or hire agreement and are to receive a copy of the conditions of hire. The hire agreement is a contract which the governors may enforce at law.

Scale of Charges

In arriving at their scale of charges the governors have followed the following principles:-

- (i) that statutory users will be charged an amount commensurate with cost recovery;
- (ii) that designated users will be charged no more than cost;
- (iii) that private users will be charged on a cost plus an income margin for the school ;
- (iv) that there will be parity of treatment for similar users;
- (v) that overall the cost of letting school facilities will be recovered from users.

For the purpose of charging, the headteacher or his nominee is empowered to determine to which group any particular individual or organisation belongs. The basis of charging will be determined by the purpose for which a letting is arranged.

The scale of charges forms Appendix 3 to this policy statement.

Discounts

These form part of the scale of charges (Appendix 3) and are the only permitted variations to the standard charges.

Value Added Tax

The governors are constrained by law to apply value added tax to all transactions where this is appropriate.

Insurance

The school must ensure that the Hirer has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £2 million. The hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed.

Minimum charges and deposits

The minimum hire period will be **one hour**.

The governors reserve the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition necessitating their incurring additional cost for cleaning, caretaking or other expenses.

Cancellations

Governors will seek to recover any cost incurred by the school which are unavoidable and result directly from the cancellation of a letting. Details of the charges are shown in the scale of charges in Appendix 3.

Payment methods

The governors are mindful of their responsibilities in safeguarding the school from bad debt. Therefore payment at the time of booking is the norm for one-off hirers. For regular weekly hirers the school will accept payment by cash or cheque but cheques should wherever possible be supported by a guarantee card. For hirers using the premises for multiple evenings per week, a monthly invoice will be issued. In all cases where cash or cheques are paid over then an official receipt must be issued.

Extension of Credit

The governors will allow the extension of credit to bone fide local organisations and individuals where they are satisfied that these are credit worthy. In all the cases the governors reserve the right to withdraw credit facilities where prompt payment is not received. In all cases where credit is extended, an official County Council invoice will be issued. The governors will not normally extend credit for lettings where the invoice value is less than fifty pounds (£50). The governors have chosen to delegate the approval of credit facilities to the headteacher or his nominee who is to maintain a list for the guidance of administrative staff. In all cases where credit is advanced the invoice is to be raised at the time of booking.

Security

The governors will not normally insist upon continuous caretaking presence. However they reserve the right and delegate power to the headteacher to insist upon caretaking presence where in his view the nature of the hiring may leave the school vulnerable to theft or damage.

Review of Policy

The governors will review the policy annually and the scale of hire charges for the forthcoming year will also be reviewed and updated.

NB References in this form to Devon County Council shall, in relation to school premises, be construed as references to the governors of that school. The Law which applies is the Law of England.

APPLICATION AND FEES

1. The signatory of the application shall be the hirer. Where a promoting organisation is named in the application, that organisation shall also be considered the hirer and shall be jointly and severally liable hereunder with the signatory.
2. The fee payable for the hiring shall be calculated in accordance with the scale of charges published by the Governors. The Governors reserve the right to alter or revise these charges at any time.
3. The fee for an occasional hiring shall be paid to the person authorising the hiring within five days of such hiring being approved and upon receipt of such fee the hiring shall stand confirmed subject to the provision of condition 4. In the case of a long-term letting the governors of the hired premises may at their discretion permit the periodic payment of hire charges in arrears.

CANCELLATION

4. The Governors or their agent(s) acting on their behalf must reserve the right, having good reason, at any time without notice to cancel a hiring or withdraw permission for the hirer to occupy any part of the hired premises on any particular date. In such event the Governors shall not incur any liability whatsoever to the hirer other than for return of any fee or the appropriate part of any fee paid in respect of the hiring.
5. If the hirer shall cancel the hiring of the premises then the Governors shall be entitled to retain or demand as the case may be the whole of the fee paid in respect of such cancelled hiring; PROVIDED THAT if notice of such cancellation is received at least seven days prior to the date of the hiring the fee will be refunded or remitted to the hirer subject only to any necessary deduction or payment in respect of expense already incurred by the Governors or the Council in respect of that hiring.
6. Bookings are taken subject to the premises not being subsequently required for Parliamentary or Local Government elections or other statutory purpose. In the event of the premises being so required, the Governors will refund to the Applicant all charges made by them and already paid by the Applicant. Neither the Governors nor the Council shall be liable to pay any compensation for any loss incurred by the Applicant.

INSURANCE

7. The hirer's use of the hired premises is conditional on the hirer holding appropriate liability insurance. A copy of such insurance shall be provided to the school at the time of booking.

FURNITURE AND EQUIPMENT

8. The hirer's use of the hired premises shall be deemed to include the use of chairs and tables only.

9. The arrangement of furniture and/or the use of additional furniture or equipment will require the specific approval of the Governors. Such use may be subject to the scale of charges published by the Governors.

10. Where additional equipment is required by the hirer this will be subject to an additional charge according to the Governors' published scale.

KITCHEN FACILITIES

11. Kitchen facilities and facilities for the preparation of refreshment are not included in the hiring unless prior consent for the use of such facilities has been given by the Governors who will have consulted the catering contractor to arrange for such use at all times to be supervised adequately. Separate conditions of hire exist for catering facilities; where catering facilities form part of the contract these conditions, which can be obtained from the school, are deemed to have been accepted.

HEALTH, SAFETY AND CONDITION OF PREMISES

12. The hirer/hirers shall during the hiring be responsible for:

(a) taking all measures necessary to ensure that the permitted number of persons using the hired premises is not exceeded;

(b) the efficient supervision of the hired premises and for the orderly use thereof including the observance of the governors' policy on no smoking on school premises;

(b) ensuring that the hired premises are left in a safe and secure condition and in a clean and tidy state.

Failure to comply with these conditions may lead to additional charges.

RESTRICTIONS

14. No nails, tacks, screws, nor other like objects shall be driven into any part of the hired premises nor shall any placards, decorations or other articles be fixed thereto. No alterations or additions to any electrical installations, either permanent or temporary, on the hired premises may be made without the written consent of the Governors. Electrical apparatus must be switched off after use and plugs removed from sockets.

15. The hirer shall not permit or suffer any damage to be done to the hired premises or any furniture or equipment therein and shall make good to the satisfaction of the Governors and pay for any damage thereto (including accidental damage) caused by any act or neglect by himself, his agents or any person on the hired premises by reason of the use thereof by the hirer.

16. It is understood and agreed that the Governors do not, either expressly or by implication, warrant the premises to be fit or suitable for any sporting or recreational purpose for which the hirer intends to use them but rely entirely on the skill, knowledge and expertise of the hirer in choosing so to use them and require the hirer to discontinue that use immediately upon it becoming reasonably foreseeable that by reason of their condition a participant in or spectator to that sport or recreation or any other person is in danger of suffering injury, loss or damage.

17. Except insofar as the Unfair Contract Terms Act, 1977 (or any statutory modification or re-enactment of it) otherwise requires, neither the governors or someone acting on their behalf will be responsible or liable in any way whatsoever or to any person whatsoever (and whether or not there shall be any negligence by its servants or agents) in respect of:

(a) any damage or loss of any property brought on to or left upon the hired premises either by the hirer or by any other person;

LICENCES

18. The hired premises shall not be used for the sale or supply of intoxicating liquor, or the holding of any public entertainment, theatrical performance, film exhibition, lottery or other similar function without the consent of the Governors, and such consent shall be subject to the hirer first obtaining the necessary licence or permission required under current legislation, and producing this for the scrutiny of the Governors if required;

SAFEGUARDING

19. Where **Exeter Road Community Primary School** premises are hired by/for groups including young people or vulnerable adults, the group must have a safeguarding statement and policy, clear and robust safeguarding procedures and DBS checks in place.
